ALMs for Orphans

ALMs for Orphans is the humanitarian arm of Agape Love Ministries.

We rescue, feed, shelter, educate, and restore orphans, abandoned children, human trafficking victims, widows, and the most vulnerable.

Our work includes:

- Rescuing children from abandonment, extreme poverty, and human trafficking
- Supporting orphanages and widow homes
- Feeding programs for street children, leper colonies, and impoverished communities
- Education, medical care, clean water access, and daily nutrition
- Long-term discipleship rooted in the Father's love

We currently have one large orphanage with 300 children and have partnered with 15 other orphanages in Asia.

We do not simply care for children—we help them heal, grow, and discover who they are in Christ.

Where We Are Going

Our long-term vision is the creation of ABBA Centers—self-sustaining care centers in every nation.

Each ABBA Center is designed to care for:

- Up to 300 children
- Approximately 25 widows
- Fully staffed by local believers
- Equipped with education, healthcare, and is self-sufficient

Our global vision is to ultimately care for:

- 1 million orphans
- 120,000 widows

How We Do It

- Extremely low operational costs
- None of our staff is paid a salary; all of us are volunteers
- Indigenous leadership and staffing
- Local partnerships
- Simple systems that can be replicated from nation to nation

Impact at scale:

- Meals provided for starving street children for as little as \$0.10
- Complete care for a child for approximately \$1 per day
- Entire centers sustained through economic development over time

How You Can Help

- Monthly or one-time financial partnerships
- Funding ABBA Centers or specific orphanages
- Business-to-ministry partnerships
- Sponsorship of children, widows, or feeding programs
- Equipment, land, logistics, or professional expertise
